Impact 21 Group Managing Partners Named to NACS Committees

Lesley Saitta, Managing Partner and CEO of Impact 21 Group has been named to the NACS Convention Committee for the 2009 Show. This will be Lesley's third year participating on this committee. This committee's responsibilities include selection of Convention opening and closing speakers, development of educational programs for all functional tracks as well as determining changes and additions to the Show, based on feedback from the prior year.

Lisa Stewart, Managing Partner and President of Impact 21 Group has been named to the NACS NACSTECH Convention Committee for the 2009 Show. This will be Impact 21 Group's third year participating on this committee and Lisa's first year. This committee's responsibilities include selection of Convention opening and closing speakers, development of educational programs for all functional tracks as well as determining changes and additions to the Show, based on feedback from the prior year.

John Zikias, Managing Partner and COO of Impact 21 Group has been named to the Membership Committee for NACS. This will be John's third year on this committee and he also served on the NACS NACSTECH Convention Committee for the 2007 and 2008 shows. This committee's responsibilities include developing and communicating the value of NACS Membership to Supplier members.
